

YOU'RE INVITED **STONEWALL** *Out Loud*

**HELP US PRESERVE THE STORIES OF LGBTQ ELDERS
BEFORE THEY ARE LOST TO HISTORY.**

To honor the 50th anniversary of Stonewall, in June 2019, StoryCorps will ask people across the country to pick up their mobile devices and use the StoryCorps App to record the stories of people within the LGBTQ community who were born before the Stonewall Riots. Each of these interviews will become a permanent part of American history at the American Folklife Center at the Library of Congress.
