

LET'S HAVE THE CONVERSATION OF A LIFETIME.

Dear _____,

Your voice and your stories should be preserved for future generations.
(And for me!)

That's why I'm asking to hold a StoryCorps interview with you that I'll
record with the StoryCorps App and upload to the Library of Congress.

It's a gift we'll give each other.

I'm all ears,

Listen. Honor. Share.
STORYCORPS

BEFORE YOU GIVE: When you're ready to record your interview, make sure you've downloaded the free **StoryCorps App** to your smartphone. That way you can easily record your interview and when you're finished, upload the recording to the Library of Congress if you'd like.
