

## LET'S HAVE THE CONVERSATION OF A LIFETIME.

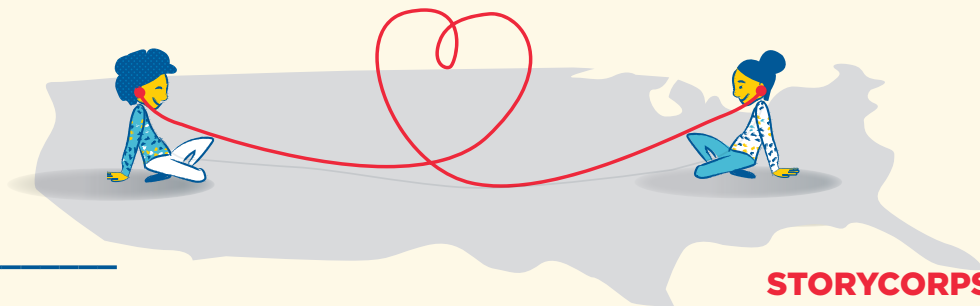

Dear \_\_\_\_\_,

Your voice and your stories should be preserved for future generations. (And for me!) That's why I'm asking to hold a StoryCorps interview, which will be preserved in the Library of Congress, with you. We can record from two different locations using StoryCorps Connect or in the same room using the StoryCorps App.

It's a gift we'll give each other.

I'm all ears,

\_\_\_\_\_

**BEFORE YOU GIVE:** When you're ready to record your interview, you can either download the free **StoryCorps App** to your smartphone or record remotely through your web browser with **StoryCorps Connect**. That way, you can easily record your interview, and when you're finished, upload the recording to the Library of Congress if you'd like.
